Natural Result.

It is very reasonable to suppose if the
foundation of a structure was removed
that the building itself is bound to come
down. This same principle can be applied
to disease. Take a medicine into the sys-
tem that will remove the cause of sick-
ness, and the illness leaves of itself.
Dyspepsia, indigestion, sick-headache
and biliousness, have their foundation in
stomach disorders. Remove the other
symptoms are no more. There is one cure
for this that all druggists sell for 25 cents
per box, it is called Dr. Gunn's Improved
Liver Pills. They get right at the be-
ginning of the diseases and make the cure
by taking away the cause of it. We will
send you a small box free by mail, or a large
box on receipt of 25 cents. Address Dr.
Bosanko Medicine Company, 128 S. Sixth
street, Philadelphia, Pennsylvania.

CURED OF HIS CLUB.

The Way One Woman Kept Her Husband
Home in the Evening.

"I would be very happy if my hus-
band would not spend so many of his
evenings at the club," said Mrs. Bride,
with a sigh.

"Why don't you try the suspicion
cure?" said her intimate friend.

"What is the suspicion cure?" asked
Mrs. Bride.

"Well, my husband once got into the
habit of spending his evenings at his
club, and I worried myself ill. Then I
changed my tactics. Instead of asking
him to remain at home I urged him to
go to the club. The way he raised his
eyebrows the first time I suggested it
showed that I was on the right track.

"One night he said he had a severe
headache and would remain at home.
I opposed at his club would make him
forget his headache. He gave me a
hard look, but acted on the suggestion.
I knew he would be back within an
hour, so I made an elaborate toilet.
He returned, as I expected, with the plea
that his head was worse. I ignored his
question concerning my elaborate to-
ilet. He hasn't been away for an even-
ing since. It is almost like the old
honeymoon, only he appears to have
something on his mind."

A CHANGE IN MAIL SERVICE.

A Later Mail Service from San Francisco Will Be Appreciated. Postmaster Geo. W. Loxie, has received notice that commencing with Monday, June 13th, there will be a change in the railway mail service over the Southern Pacific which will prove of vast benefit to the merchants and business men of this city, in that it will give them quicker, better and more convenient service between Redwood City and San Francisco.

On that date it is announced by the department, a postal car will be attached to the San Francisco and Los Gatos train which arrives in this city at 12:30 o'clock p. m. and returning leaves Redwood City for San Francisco at 6:24 p. m. The new mail run from San Francisco and way points to this city and Los Gatos and way points is in place of the mail now carried on train No. 22, which arrives here at 8:50 a. m., only one hour after the first mail train of the day and gives a service from the city up to noon of the same day.

The return run is made in place of the mail which leaves here for the north at 5:15 p. m., giving a service of one hour later and it is announced that mail placed on this train will be delivered on special arrangement in the city in the business district on the same day, and in all events on the first delivery the following morning.

The service will be appreciated by local business men who have long asked for a later mail to San Francisco and an earlier one from the south.

SENSATIONAL DAMAGE SUIT.

Twenty Thousand Dollars Asked From Italian Capitalist.

A sensational damage suit was commenced in the Superior Court which promises many ray developments. The defendant is Fortunato Greco, an Italian capitalist, who owns a salt works near the bay shore and his wife, Guiseppe Greco. The plaintiff in the case is Nicolo Piacentino, who up until June of last year was in Greco's employ. He was summarily dismissed for, so the complaint alleges, immoral conduct with one Rosa Perino, who was in the employ of Greco, where plaintiff boarded.

In his complaint Piacentino affirms that he is a married man and the father of seven children, whose ages range from 7 to 30 years, and who with their mother reside in Italy. On or about June 3, 1903, Mrs. Greco wrote a letter to his, the plaintiff's wife, in which she charged him with immoral conduct, naming as his co-partner in the transaction a servant girl of the household named Rosa Perino. The letter, which is written in Italian, is set forth in full in the complaint, together with the translation in English.

Piacentino asks for damages as a balm for his wounded feelings in the sum of \$20,000. Archer Kincaid is the attorney for plaintiff.

A Suit to Recover Damages.

The civil suit of Hanora King against John Pitcher Jr. that was appealed from the Justice Court of the Third Township was commenced in the Superior Court before Judge Lennon on San Rafael on Thursday and was submitted yesterday afternoon. The action was originally brought against defendant to recover damages in the sum of \$200 for a horse alleged to have been maltreated by defendant to the extent that it had to be killed. In January of last year Mrs. King rented the horse to Mr. Pitcher with the express understanding that the animal was to be well treated and fed. She was to receive fifty cents a day for the animal. In April of that year the defendant returned the horse, so the complaint alleges, in an emaciated condition and so thin that it had to be killed the following month. The defense set up the plea that the horse was well taken care of and was returned in good condition and that Mr. Pitcher was not responsible for the animal after it left his possession. In the lower court the plaintiff secured a judgment of one hundred dollars and costs. Mr. Pitcher then appealed the case. In the Superior Court he was represented by Eda. F. Fitzpatrick. The plaintiff's case was conducted by Archer Kincaid. A score of witnesses were brought from the coast side to give evidence in the case.

Military Ball at San Mateo.

Company R, League of the Cross Cadets, will give a military ball on Friday evening, June 24th, at Athletic Club hall, San Mateo. A military ball is a rare privilege to be enjoyed by the people of this county and no doubt all who attend will be pleased with the fine appearance the cadets make in their evening dress uniforms. The dance is known as the "non-coms" dance, owing to the fact that the non-commissioned officers are in charge of the arrangements. Brohaska's orchestra will furnish the music.

Marriage Licenses.

The following marriage licenses were issued by the County Clerk this week: DUFFY-PARSON—Bernard James Duffy and E. V. Parson both of San Mateo. AUDEMAN-VALQUARDS—Jules P. Audeman and Catherine Valquards both of San Francisco. GALLAGHER-KETCHUM—George F. Gallagher of San Francisco and Mrs. Jessie Ketchum of Fort Bragg, Mendocino county.

Notice to Contractors.

D. 1904, at the hour of 8 o'clock p. m. for the distribution of 16,000 gallons, more or less, of fresh water, daily, upon the streets of the Town of Redwood City, water to be distributed as may be directed by and to the satisfaction of the Board of Trustees of said town. Water and water wagon to be furnished by said town. Contract to be entered into for one year, and streets to be sprinkled daily—Sundays, excepted—during summer months and as often thereafter as required by the Board of Trustees of said town during the contract. CARNEGIE LIBRARY SITE.

Women's Improvement Club Think Suitable One Is Offered.

EDITOR TIMES-GAZETTE:—Mr. Peterson, the shoe dealer, offered as a gift to the town of Redwood seventy feet frontage on Main street, corner of Maple, on condition that the end of Maple street running back of Mr. Peterson's property be closed. This will be necessary in order to get the required depth needed for a library site.

If this plan of getting a free site should not be feasible, we ask the taxpayers to request the town trustees to buy a suitable lot on or near Main street.

It is but fair to locate the library building in this part of town. The location is central and should hold one of our public buildings.

Other proposed sites which have been inquired into are the corner of Washington and Webster streets, owned by the Episcopal Church. The trustees deem it unwise to part with any of its property.

J. F. JOHNSON—COUNTY RECORDER.

Fees collected during month of May:

The petition of F. P. Hooper, and others, to close certain streets in the School House Land Association tract, near Colma, was taken up.

District Attorney Bullock who represented the petitioners, called B. S. Green, one of the signers, who testified to the genuineness of the signatures on the petition. He said they were freeholders and desired the streets closed.

The tract contains 75 acres and the streets in it were never used. The petition was denied and on motion of Elkerenkotter, seconded by Debenedetti, the following resolution was adopted:

In the Board of Supervisors of the County of San Mateo, State of California.

Whereas, the petition of F. P. Hooper et al., to close certain streets in the School House Land Association, situate in the County of San Mateo, State of California, came on this day regularly to be heard, and this Board having heard and considered the evidence submitted in relation to said petition.

And whereas, it appears from said petition and from the evidence introduced, that all of the streets described in said petition are not public streets, exist only on paper, and that beyond the filing of a map of the School House Land Association on the 10th day of July, 1872, no offer has been made to dedicate said streets to the public for public use.

Now therefore, be it resolved, that said petition of F. P. Hooper et al., be and the same is hereby denied and refused, for the reason, that, in the opinion of this Board, the streets and roads described and mentioned in said petition are not County Roads or streets of said County of San Mateo, and therefore this Board has no jurisdiction or right to grant the prayer of said petition.

The following resolution was offered by Debenedetti and seconded by McCracken, transferring the sum of \$8000 from the Court House Construction Fund to the General Fund.

Whereas, There are outstanding

claims against the General fund of said county, amounting in the aggregate to about the sum of twelve thousand dollars (\$12,000) and only four thousand dollars (\$4,000) in the county treasury to the credit of said general fund:

And Whereas, It is necessary to transfer the sum of eight thousand dollars (\$8,000) to said general fund for the purpose of paying said indebtedness:

Now therefore, be it Resolved, That the sum of eight thousand dollars (\$8,000) be and the same is hereby transferred temporarily from the Court House construction fund and placed to the credit of said general fund and the County Auditor and County Treasurer are hereby directed to make such transfers in accordance with this resolution.

The following petitions of Herman Frey, and others, of Pescadero and J. M. Frances, and others, of Halfmoon Bay, asking that the portion of Ordinance 186 of the county game laws relating to the killing of deer be repealed and the State game law be substituted, were read. McCracken urged that the request be granted:

To the Honorable Board of Supervisors of San Mateo County:

We, the undersigned citizens of the Fourth Township, being true and loyal sportsmen, do petition your Honorable body for the repeal of Ordinance No. 186 relative to the deer season of this county. We humbly ask that the existing laws as now in force to the aforesaid game be repealed and so altered to comply with and be in conformity to the prevailing State law. Trusting that our prayer will be granted we beg to submit as follows: Jos. M. Francis, A. T. Gilcrest, Gabe Vallejo, Arthur G. Bray, Wm. A. Osterman, and many others.

To the Honorable Board of Supervisors of San Mateo County, California:

We, the undersigned, citizens of San Mateo County, respectfully petition your Honorable Body to repeal that portion of Ordinance No. 186, which relates to the killing of deer and to leave the State law relating to the killing of deer as it now is: Herman Frey, Pescadero; C. J. Coburn, Pescadero; A. Weeks, Pescadero; W. A. Randall, Pescadero; D. E. Blackburn, D. D. S., Pescadero; and many others.

Chairman Coleman did not think the ordinance should be repealed so often at the cost of money to the county.

After much discussion McEvoy moved that the prayer of petitioners be granted. The motion was seconded by McCracken and carried, Coleman voting no. The District Attorney was instructed to prepare the necessary ordinance to be presented at the next meeting of the Board. The State law permits the killing of deer from July 15 to November 1.

Twenty Years Trial.
There are lots of good things the doctors know nothing about. We frequently cure people of disease after the doctors have given them up. If the disease comes from overwork, dissipation, or exposure, causing weak and watery blood, and loss of flesh and strength, we have the one sure remedy in Dr. Gunn's Blood and Nerve Tonic. These tablets taken with meals turn the food into rich red blood, making strong steady nerves, and increasing the strength, building up solid flesh at the rate of 1 to 3 pounds a week. This means health. For nervous prostration, loss of memory, or a pale, sallow complexion, a better remedy was never made. Doctors know nothing about this remedy only the fact that we make cures; as we have been doing this for twenty years we know our method to be the right one. Druggists sell Dr. Gunn's Blood and Nerve Tonic for 75 cents per box, or 3 boxes for \$2.00 sent by mail, on receipt of price. Write us for a pamphlet telling all about this great medicine. Address Dr. Bosanko Medicine Company, 128 S. Sixth street, Philadelphia, Pennsylvania.

THE FORD'S BLACK-DRAUGHT THE ORIGINAL LIVER MEDICINE

A yellow complexion, dizziness, biliousness and a coated tongue are common indications of liver and kidney diseases. Stomach and bowel troubles, severe as they are, give immediate warning by pain, but liver and kidney troubles, though less painful at the start, are much harder to cure. The Ford's Black-Draught never fails to benefit diseased liver and weakened kidneys. It stirs up the torpid liver to throw off the germs of fever and ague. It is a certain preventive of cholera and Bright's disease of the kidneys. With kidneys reinforced by The Ford's Black-Draught thousands of persons have dwelt immune in the midst of yellow fever. Many families live in perfect health and have no other doctor than The Ford's Black-Draught. It is always on hand for use in an emergency and saves many expensive calls of a doctor. Mollis, S. C., March 10, 1901. I have used The Ford's Black-Draught for three years and have not had to go to a doctor since I have been taking it. It is the best medicine for me that I can get for liver and kidney troubles and dyspepsia and other complaints. Rev. A. G. LEWIS.

FIFTY CENTS A MONTH

A small bottle of Scott's Emulsion costing fifty cents will last a baby a month—a few drops in its bottle each time it is fed. That's a small outlay for so large a return of health and comfort.

Babies that are given Scott's Emulsion quickly respond to its helpful action. It seems to contain just the elements of nourishment a baby needs most.

Ordinary food frequently lacks this nourishment; Scott's Emulsion always supplies it. Imitations always cost less than the original, hence the substitutes for Scott's Emulsion can be sold for a few cents less. But you're not saving anything when you buy them. Cod liver oil has a market value and you get the pure oil in Scott's Emulsion. That's the difference.

We'll send you a sample free upon request.
